## About me

- What motivates you to work hard?**  
Helping those who love English to excel; helping those who don't love English to see the value and relevance in their loves so they can achieve.
- Who is your hero?**  
Adam Yauch (aka MCA, founding member of the Beastie Boys): creative genius, activist, and prankster.
- What is your proudest accomplishment?**  
My teaching career: after spending a decade in the private sector, it was gratifying to find a career that had a clear impact on the lives of young people.
- If you could choose to do anything for a day, what would it be?**  
Record shopping in the morning, spa in the afternoon (treatments and jacuzzi), gig in the evening.
- If you could go back in time, what year would you travel to?**  
1956, in the US, to see rock n' roll explode: who are these people and what is this incredible noise that they're making?!
- If you could share a meal with 4 individuals, living or dead, who would they be?**  
Richard Osman, Marina Hyde, Lauren Laverne, and Robert 'RZA' Diggs (Wu Tang Clan).
- Do you have a life motto? If so, what is it?**  
If you can't agree, learn to disagree agreeably (credit to Alastair Campbell and Rory Stewart for that one).
- If you could join any past or current music group, which would you want to join?**  
Don't make me choose! Fine, Radiohead. No, The Chemical Brothers. No, The Beatles. No...
