EXPERIENCE

A dedicated science teacher with 16 years of extensive teaching experience who loves sharing knowledge across all branches of science, fostering a deep understanding and appreciation for the subject among students. I am committed to inspiring curiosity, critical thinking, and scientific literacy in learners of all levels.

About me

○ What motivates you to work hard?

My daughter and the pupils I teach.

○ Who is your hero?

My parents.

○ What is your proudest accomplishment?

First and foremost, my daughter, who brings immense joy and fulfilment to my life, followed closely by my professional achievement. This dual passion—for my family and for teaching—defines my greatest sources of pride and fulfilment.

○ If you could choose to do anything for a day, what would it be?

Quality time with my daughter, visit NASA.

○ If you could go back in time, what year would you travel to?

I would travel to the year 1996 to experience the iconic Oasis concert at main road Manchester.

○ If you could share a meal with 4 individuals, living or dead, who would they be?

Michelle Obama
Oprah Winfrey
Mary Poppins and Peter Kay.

○ Do you have a life motto? If so, what is it?

Work hard, be kind, and leave a legacy of learning.

○ If you could join any past or current music group, which would you want to join?

It would be either Take That or Spice girls.
