About me

What motivates you to work hard?
The quality of life it brings to me and my family.

Who is your hero?
Sergio Aguero, for "that" goal at the end of the 2012 football season.

What is your proudest accomplishment?
Achieving my degree whilst bringing up a young family and also working full time in the RAF.

If you could choose to do anything for a day, what would it be?
Assuming you could also grant me the skills, be a professional footballer winning the FA Cup.

If you could go back in time, what year would you travel to?
Even more specifically, July 1969 so I could watch the moon landings live, then go to Woodstock just over three weeks later.

If you could share a meal with 4 individuals, living or dead, who would they be?
Pep Guardiola, Tony Stark, David Bowie, Robin Williams. I'm not sure they'd all get on with each other though!

Do you have a life motto? If so, what is it?
If you surround yourself with yes-men, you'd better always be right.

If you could join any past or current music group, which would you want to join?
The Cure.
